COMMUNITY SADDENED BY DEATH OF MRS. GEO. T. BERRY

Strathmore citizens were again surprised and made sad by the sudden death of Mrs. Geo. T. Berry Friday morning.

Though suffering for some years from a weak heart, yet Thursday she was bright and in her usual active life and consequently the news of the passing came as a very great shock to her many friends.

The late Mrs. Berry, as Miss Adams came as a young girl with her mother to Toronto, following the death of her father. Dr. Gill a London surgeon, from England. Later to visit a brother of Mrs. Berry's who was manager of the Hudson's Bay Post at Picher Creek. It was during this visit her acquaintance with Mr. Berry was made which later developed into their marriage about 1885. They conducted a hardware and furniture business in Picher, later having taken up quite a large acreage and Mrs. Berry could relate some very thrilling tales of some of her experiences during the early days. Mrs. Berry being in rather ill health they sold out and went to reside in Victoria, B. C. for some time, following which while their children, Bert, Gladys and Hugh were at school in Toronto, Mr. and Mrs. Berry traveled extensively for about five years. They returned to Canada and in 1911 bought the hardware business in the store now occupied by Mr. Bellinger. In 1920 they moved to Strathmore and established the home which is known as Papp-poyers. Mrs. Berry's time being divided between them and their own home during the five school days of the week.

Mrs. Berry was a woman of outstanding ability, possessing a keen business insight, a broad outlook, a warm sympathy and a rare culture. Those who knew her most intimately appreciated her most deeply. She was attracted to herself and her home a host of friends who will most sincerely mourn her passing.

The name of the newly formed Sorosis Society was suggested by her and the following prayer for use in the society composed by her. At a committee meeting held on Wednesday previous to her passing, Heaven's Father, grant Thy blessing on the efforts of this Society and that its members may at all times abound in goodwill and work together in the fellowship of Sisterhood for Christ's sake, Amen.

The late Mrs. Berry is survived by her beloved husband, a daughter Mrs. Gladys Morgan, a son Hugh and a grandson Billie Morgan. Their son Bert was killed in action in Flanders in 1918.

To the family is extended the sincere sympathy of a large circle of friends.

The funeral conducted by Chas. & Co. was held Sunday March 11th at a private service being conducted by Rev. T. W. Winter at the home Sunday morning for the family only. At 2:30 in St. Michael's Church a most sympathetic service was conducted by Rev. Winter, the hymns sung being special favorites of the deceased. The large cortege wound its way to the Strathmore cemetery where the burial service was read and a copy of the prayer previously referred to placed on the casket, the large number of assembled friends standing in sympathetic silence.

The Pall Bearers were Messrs F. D. McNaughton, T. L. Chamberlain, A. Penson, T. E. Wright, J. J. Pettie and R. S. Stockton.

We see but dimly through the mists and vapors

Among these earthly damps,

What seems to us but sad funeral tapers,

May be Heaven's distant lamps.

There is no death, what seems so in transition

This life of mortal breath.

Is but the suburb of the life elysian

Whose portal we call death.

Among the many telegrams received by the family was one from Premier R. Bennett, between whom

The many friends of Bill McKay, son of Mr. and Mrs. J. McKay will be sorry to hear he had to undergo an operation for appendicitis last week. Latest reports say he is making a fine recovery.

John Christensen who suffered a nervous breakdown last summer has recovered under treatment and is returning to his home next week, while his friends will all be pleased to hear.

Monday evening a social evening was arranged by the W. I. members and held in the West Room. Four tables of bridge were arranged. Mrs. Brown being the fortunate winner of the high score and Mrs. Dixon the consolation. Choice refreshments were served and a pleasant social evening enjoyed by all. The W. I. have found the upkeep of the West Room too heavy a drain, the housewife use made of it by outside parties, hence they have decided to close it.

Hogs given salt in the proportion of two and one half pounds to 100 lbs. of meat gained an average of 17 lb. a day, while those not getting the salt ration gained only 7 lb. a day. The time necessary to finish the hogs was reduced from 120 to 125 days through the regular feeding of salt.

In addition to the saving of feed, which amounts to more than two thousand pounds, is the fact that hogs which are early finished are of higher quality for the production of bacon. There is a better distribution of fat and lean required for bacon of good quality and texture, so that early finished hogs bring better prices.

It is necessary, however to exercise some care in feeding the salt. It must not be given in the form of lumps or concentrated amounts, but should be thoroughly mixed and mixed through the dry grain as uniformly as possible. This practice should be followed even in preparing wet feed.

Through their investigations in raising more than fifteen hundred hogs, the Lacombe Station officials have demonstrated that Canadian farmers can raise hogs more economically and of higher quality through the scientific use of salt.

On behalf of the guests presented Miss Brown with a driver for the golf. It was a total surprise to the recipient, but she expressed her hearty delight for the gift and the appreciation of her work. A vote of thanks was tendered Mrs. Shrimpton for the hospitality of her home. A very pleasant evening it proved.

Mr. Brundage and Mrs. Milnes are entertaining Friday at the home of the former at one of the series of "Chain Ties" under the auspices of the Ladies Aid.

The home of Mrs. A. D. Shrimpton was the rendezvous Monday evening for a number of former L. O. D. E. members when they met to enjoy a game of bridge second but primarily to show their appreciation of the faithful work of Miss Brown as the efficient treasurer for the past five years. Three tables of bridge were arranged while others preferred to chat around the cozy fire. Mrs. Schmitz was the fortunate winner of the first prize, while Miss F. Garrett was awarded the consolation. The following delicious refreshments Mrs. Nichol on behalf of the guests presented Miss Brown with a driver for the golf. It was a total surprise to the recipient, but she expressed her hearty delight for the gift and the appreciation of her work. A vote of thanks was tendered Mrs. Shrimpton for the hospitality of her home. A very pleasant evening it proved.

Canon Hall was a resident of Alberta for a number of years. He had charge of the services at Macleod, Strathmore, Banff and Kaslo, B. C. leaving for the West about 8 years ago, where he had since been in charge of the services at Brownstown, Kingston, and Jamaica, where he was highly respected.

Canon Hall is remembered by a large number of friends in Strathmore who will give to hear of his death.

F. W. GALBRAITH DIES AT RED DEER

Just two months ago the standard with much other congratulatory Mr. Galbraith on his attaining his fifty years in newspaper work, now we mourn his death. He was an outstanding citizen as well as a most able editor. His letters in the Advocate of his early experiences have been most interesting. The Advocate of which he was the editor will be his best Memorial.

To his bereaved family we extend sincere sympathy.

TOWN COUNCIL HOLD REGULAR MEETING

A meeting of the Town Council was held on Tuesday evening. There was a full attendance of Councilors except Councillor Minor who is at present in Illinois.

There were four applicants for the position of assessor for 1934, Messrs. Roy, May and Hirtle of Calgary and Mr. Thompson of Gleichen. It was unanimously decided to give the appointment to Mr. Hirtle.

Delegates from the Town Council consisting of the Mayor and Councilor Hughes reported on their trip to Edmonton, re a gravelled highway proposed to be made from Carbon to unite up with the gravelled highway at a point where such highway breaks off to Rockyford. Reeve Groves and Councillor Weyers accompanied our delegation, and there were representatives from Rockyford, Standard and Carbon and surrounding districts who put before members of the Council their various ideas. Members of the cabinet informed the various parties interested that the highway of the scheme wholly depended upon the attitude of the Dominion Government, so there the matter rests.

A resolution was passed authorizing the Council, through the Mayor and Secretary Treasurer to do banking business with the Royal Bank.

A resolution was also passed, expressing sympathy with Councillor Minor in the loss of his wife, copy to be sent to him.

An application on behalf of the Strathmore School Fair Association was made for a grant for 1934. It was resolved to donate \$25 as was done last year.

Owing to hard times owners of dogs are to be allowed 60 days from closure which they may take out licenses.

A number of accounts were passed, mostly for relief.

It was agreed to allow the Strathmore Sorosis Society the use of the Town Hall for their meetings when required, the sole object of the Society being for local welfare work.

A report of the interview which the delegation had with the Minister of Public Works, Alberta in connection with the construction of a secondary highway north from Tieda's corner through Rockyford and Carbon was submitted to the Council.

The interview it would appear that favorable consideration may be given to the request if funds are available by the Province in cooperation with the Dominion Government and provided that it may form part of a public works relief scheme.

The Council were successful in obtaining free freight on feed on a maximum of three cars to each point when such feed is shipped in to Strathmore, Kamloops, Nanaimo or Stranrair. This concession by the Government is granted strictly as a relief measure and is not to be construed as a wide open measure to facilitate shipment of feed by commercial shippers. If you require feed quantities may be obtained from the office.

A resolution asking that representation at the annual hall meeting be fixed on a different basis to that at present permitted by the statute was passed by the Council and a delegate was appointed to attend the convention to speak to the resolution.

Usual financial resolutions and applications for credits were passed. The following were accepted as the requisitions from the various school districts for the year 1934: Altonast 525; Herta Vale 510; Blackfoot Trail 565; Calhoun 1100; Chasdale 1200; Crowfoot 280.50; Fairplay 1100; Glencairn 1100; Harwood 1200; Hervey 600; Kamloops 1700; Newton 350; Oakland 550; Oranville Valley 800; Turner 550; Nanaimo Parra 1250.

The Council did not renew the contract with the Strathmore Standard for furnishing the residents with the paper for the ensuing year.

Petition from residents of Division No. 1 was received by the Council and the matter represented will be considered by the Council in due course.

No action was taken to furnish the grain for the spring seedling season of 1934 to those who may require it. This action was decided upon in view of the conditions made part of the procedure in caring for such advances.

A number of bills and accounts were passed for payment.

The meeting of the Strathmore Sorosis Society has been postponed out of respect to the late Mrs. Berry from Wednesday March 14th to Wednesday March 21st in the Town Hall at 8 p.m. A cordial invitation is extended to all persons interested to attend.

Keep Saturday night free for the St. Patrick's dance in the Memorial Hall. The committee representing will be organized and will furnish good music to lure all to dance.

ART GIROUX RIGHT WINGER

Strathmoreites all swelled with pride when they read the following article in Monday's Herald. Congratulations to our townsmen.

Although there are many splendid right wingers in the Canadian American League, says an eastern scribe, such as Yank Boyd of Philadelphia, Tommy Hinnson of the Cubs and Lloyd McIntyre of the Beavers, there is one who stands head and shoulders above them all—Art Giroux of the Providence Reds, who learned his tuckey in Strathmore.

Giroux has everything that a perfect wigmans should have. He has speed, he breaks fast, and he checks back in effective fashion. Greater than all these attributes, which most of his close rivals also have, is his uncanny ability in trust of the net. Art is one of the smartest, if not the smartest shots in the league when he gets in close.

Giroux's skill of handling the puck, in making those little faking movements that draw the goalies out of position and lead defence men out of his path, makes him the smoothest of all forwards. His ability never showed to better advantage than it did when he scored that glorious goal that tied the score for the Reds in their plucky upset battle with the Cubs in Boston recently.

Art chased his covering wigmans and set sail down the right lane. He completely fooled Joe Jerna, fouling his right out of position, oversteered Pinkie Davis and coasted in on Jackson. He faked a shot at the near side of the net and then coolly slid the puck into the far corner past Jackson for one of the prettiest and most important tuckies of the season.

NAMAKA

The second snooker tournament took place last Tuesday and Wednesday with Bobby Watts winning the Grand Challenge from Jack Pawkes 40-35 and Win Baker, taking the consolation from Chester Peterson 25-21. Mr Baker says he will take on anyone for a dollar but so far has found no one in Namaka with that much money. Drop in some time Strathmore snooker players, and win an easy buck.

Mrs J Bullock of Louisa has been visiting her daughter Mrs J A Little, the past week.

A library of 40 books has been received by the Ladies Aid from the University and has been placed in Baker's store for distribution to the public. Earle Baker is librarian. A small donation is requested from borrowers to help defray freight.

Those attending the Jiggs Supper put on by the Ladies Aid last Friday enjoyed an splendid treat and so excellent address by the Rev. Horrie of Calgary. Also contributing to the program before the lecture were: Mrs H A Bremner, violin solo; Mrs H A Miller, vocal solo; and H R Wooster vocal solo.

Namaka boys played two hockey games last week with Strathmore. The senior team lost a close fought game on the 7th, 5-4 with a five minute overtime period. The juniors came out better on Friday night with a score of 5-3 in their favor. The lineup for the juniors: L, Peterson; F, Atkins; B, Watts; J, Fawkes; N, Wooster; C, and O, Bremner; B, Brown; and R, Baker. The last three players were responsible for the goals scored.

Complimenting friends from Langdon Mr and Mrs J A Little entertained at a dinner bridge last Friday evening. The guests were Mr and Mrs Wooster, Mr and Mrs Bremner, Mr and Mrs Wm Fawkes, Mr and Mrs Brown, Miss Merrill Brown and Mr J Fawkes.

Mrs H A Miller entertained at three tables of bridge last Saturday evening on the occasion of her birthday. The guests were Mr and Mrs Wooster, Mr and Mrs Bremner, Mr and Mrs Wm Fawkes, Mr and Mrs Brown, Miss Merrill Brown and Mr J Fawkes.

The Girls Soft Ball Club met at the home of Miss Mary Louise McLean last Monday night to plan their season's activities. Mary Louise was again appointed captain of the team and Fay Harwood, Sec-Treas. A Bremner and Joe McLean have been asked to coach and manage the team. The girls will put on a dance on April 15th to raise money for outfit. Keep this date open and

watch for further details regarding this novelty dance. Its going to be a good one.

Charlotte Schaffer and Andy Nowicki of Calgary were guests of Joe Robert Monday.

Miss Jean Little celebrated her 5th birthday Tuesday by entertaining her girl friends after school at her home. A jolly afternoon was spent with games, contests and an "important" concert in which all the guests took part. Among those present were: Merilyn Miller, Jean and Margaret Fawkes, Marie Mackie, Constance Bremner, Helene Plante, Margaret Halberg, Mamie Boshman, Lena Kruger, Mary Jensen, Jean Atkins and Kathleen Anderson.

ARDENODE

The Junior U F A met Saturday evening last at the home of Earl Chandler, Jr. The toll call was answered by a rule in etiquette. Business was then conducted in the usual manner, after which music by the boys, guitars etc was enjoyed. A delightful repeat was partaken of and the juniors brought a happy meeting to a close. The next meeting will be held at the home of Miss Wanda Knapp.

The Junior U F A are preparing to put on a play, one somewhere around the 22nd of March. Come and enjoy yourselves and forget all your worries.

Mrs F W Asplen spent a few days last week visiting with her friends in Calgary.

Mr J A Davis attended the funeral of the late Mrs Geo T Berry Sunday.

We are sorry to report the illness of Mr J A Whyte who is in the hospital at Calgary. We wish him a speedy recovery.

Mrs Wm Whyte was a Sunday visitor at her former home.

Mrs J B Whyte has returned to her home after spending several months with her parents at Stoney.

Mr and Mrs Lyttle spent Sunday visiting with Mr and Mrs Allan of Calgary.

Mr R S Edwards spent a few days in Calgary last week.

Mr and Mrs Leonard Hilton entertained a few friends at bridge Friday evening last.

Mr and Mrs T J Koch were happily surprised Thursday last, the occasion being Mr T J Koch has passed one more milestone. He was the recipient of many beautiful cards and letters all wishing him happy days to come. The friends and neighbors came with well filled baskets, ice cream, etc. The evening was spent in vocal and instrumental music, finishing to the strains of "Add Le Styn" and the best of wishes to our old neighbor Mr T J Koch.

The Art Preservative

Printing is known as the "art preservative" because the process gives permanence to thoughts and ideas in a legible and neat way. The printed word carries more dignity and more influence than any other method. The suggestion is made that you will benefit by using more printing in 1934 as a means of increasing the prestige and scope of your business.

Every progressive business and professional man takes pride in his stationery and in the printed material he sends out. The quality of the printing indicates the individual.

The Strathmore Standard takes pride in the printing it does for a large group of customers. This office is equipped to do the very best work. Each job gets the most careful attention.

The prices charged are reasonable. This is proven by the number of repeat orders. The Strathmore Standard has never aimed to make more than a modest profit.

If we have done printing for you before please accept our thanks. May we continue to serve you? If you have not hitherto been a customer we would appreciate a trial order.

MORE POWER TO YOU

More Power to You or making the Most of Human Energy, by Walter P. Pilska (Alumnus in Canada). The book recently recommended by the Winnipeg Free Press. It is practical, its hints and advice are given clearly and it is scientifically authoritative. The following are a few of the points touched.

Does the brain ever tire? The question is often asked. Prof. Pilska replies: Minds do not give out, as a rule, except as a result of rust and neglect. Nobody ever used his brain too hard. The brain is exercised by vigorous exercises. The more it is used, the better it grows and the longer it endures.

What is the best way to deal with bores? This is also another often asked question. Here is what Prof. Pilska does. He asks the bore all sorts of questions. The technique is: As soon as he has finished a sentence or two in reply to one, hurt another at him.

There may be a few who do not need his assistance; the rest of us will not fail to find in "More Power to You," suggestions that will enable us to know ourselves and our abilities better.

It is surprising how many of us are scatter-brained, profuse with our energy, and living without any technique for making the most of what we have. "More Power to You" is a book which will point out a great many things you do not know, will clarify some hazy notions that you may hold, and will certainly give an impetus to saner living.

NAMAKA FARM

Saturday night brought a most pleasant surprise to the people of Namaka Farm. A party of 36 Bible students from the Coalville Bible School arrived by truck and presented a most inspiring program in song and play. Bazaar's Pictorial Program was acted by 26 young men. In addition to this several suitable selections under the leadership of Mr. G. Pries, teacher, were presented.

Mr. Pries opened the program with J. Toews following with an inspiring address. B. Epp as Christian journeyed from the City of Destruction to the Celestial City. After passing the narrow gate he is tempted to leave the narrow path on many occasions but finally after a long struggle he arrives at the New Jerusalem. H. Schmidt as Godliness; J. Paukratz as Truthfulness; J. Reimer as Guide and

J. Postinger as Chatterbox were some of the outstanding actors. A quartette of Misses Dyck, M. Jank, A. Toews, J. Jank and J. Toews rendered The Cross by the Way. After several additional selections by the choir Mr. Pries summed up the program. In a few words in English. The visitors were then distributed among the farm people for the night. Early at 7 am Sunday morning the party left to present their program in Gen. and Crowfoot. They will be back in Coalville on Monday morning to continue their studies.

Mr. P. Martens arrived from Coalville on Tuesday. His wife is slowly recovering.

On Sunday afternoon the Y P S presented their monthly program. The main topic The Bible, was dealt with by Rev. A. Wall. Recitations by J. Toews, J. Williams, J. Rosenthal and C. F. Epp also dealt with the topic under discussion. Several selections by the quartette and choir were rendered.

THE M. D. of BOW VALLEY No. 219

NOTICE TO OCCUPANTS OF LAND

Notice is hereby given that the undersigned By-law has been passed by the Council of the Municipality and that it is the intention of the Council to carry out the provisions of same commencing this year. Owners and occupants of land should therefore take the necessary action to put their gophers on their lands otherwise it will force the Municipality to take action under the By-Law.

D. N. GARDINER, Secretary Treasurer

BY-LAW NO. 128

A By-Law of the Municipal District of Bow Valley No. 219 to empower the Council of the said Municipal District to take the necessary steps to exterminate gophers on land where such steps have not been taken by the owner, purchaser, conditional owner or occupant on or before the 20th day of April in any year.

By virtue of the power conferred on them by Sections 123 and 124 of the Municipal District Act, Chapter 11 of the Statutes of Alberta, 1926, the Council of the Municipal District of Bow Valley No. 219 enacts as follows:

1.—If in any year the owner, purchaser, conditional owner or occupant of any land in the Municipal District fails to take the necessary steps to have gophers exterminated on the land owned, purchased or used by him, on or before the 20th day of April in any year then the Council of the Municipal District of Bow Valley No. 219 may authorize that gophers be exterminated on such land and that the cost of so doing, together with the cost of the poison, be charged against the said land.

2.—The amount expended under this By-Law and chargeable against any parcel shall not exceed the sum of two and one half cents per acre in any one year.

3.—This By-Law shall come into force and effect immediately upon the passing thereof.

Done and passed in open council assembled at Strathmore at a regular meeting of the said council this 12th day of March A. D. 1934.

1st Reading, March 13th, 1934
2nd Reading, March 13th, 1934
